CEO Karen Woods-Nyce  
CCO Alan Freeland, M.D.

The TVBH campus also includes the 52-bed Timothy B. Moritz Forensic Unit, a high-security forensic facility serving the entire state. This unit had 46 admissions during FY '12 related to criminal court commitments.

*Although ODMH's regional hospital system does not serve children or adolescents, the beds per 100,000 calculation is based on total population.*

**Department of Mental Health**

Each regional psychiatric hospital is in compliance with the national standards set by The Joint Commission and the Centers for Medicare and Medicaid Services. The statewide average length of stay for civil discharges is 11.5 days. A forensic patient's length of stay is determined by the committing criminal court and can vary from months to many years.
